

SCHOOL GUARD SUPPORT

We will talk about SGS. It is a greeting campaign. We greet with elementary school students in front of elementary school students gate and we have another volunteer activities. Thank you for listening.

SCHOOL COUNCIL

Our junior high school has "juchu A I U E O".

These are goals.

"A" means greeting.

"I" means no bullying.

"U" means beautiful.

"E" means a lot of smiles.

"O" means hospitality.

To achieve these goals, we are centered around the student's council.

HEARTFUL PRESENTER

Our heartfelt presenter is held every month. We write letters to elder people who live near our house. It is the day to celebrate their birthdays. It is good for us to take communication with the elders.

SCHOOL PERFORMANCE DAY

Our school performance day is held in October and November every year. It is the most exciting event in our school. We watched many things like committee movie, quiz, music video, and a student council project movie. For example, dancing, singing, "manzai", "otegai" and yoyo! Every committee's presentation is very fun. The performance was arranged by many students. All students enjoy the school performance day.

SCHOOL TRIP

We have a school trip in the third grade. We went to a school trip in September. We visited the Universal Studios Japan (USJ) in Osaka and lake Biwa in Shiga. First, we went to USJ and enjoyed riding many attractions. We had 5000 yen to buy food and souvenirs. We also made plans and learned how to manage our time. After USJ we went to Lake Biwa in Shiga. In the bus we watched movies. We stayed at Biwa hotel for one night. In lake Biwa we rode the canoe and the dragon boat. We also made a yoshi-bue. Then at night we saw fireworks near the Biwa Hotel. Our school is enjoyable.

SPORTS DAY

We hold a sport festival in September every year. It is the most exciting event in our school. We have many programs and games. And we enjoyed it. We make flags in each class. It is unique. We have different events like relay, trial 4, tug of war, marching and dancing. Japanese students wear gym clothes. We also show dances to our family and students. We practiced very hard before and after school. All the classes enjoy very much every year. Thank you for listening.

FIELD TRIP

During our second year, we have a field trip in winter. We went to Kyoto. We ate many foods for example, Dango, Matcha, and Namayatsunashi. We went to famous places in Kyoto. For example, Kyoto zoo, Kiyomizu temple, Yasaka shrine and heianjingu. In the school excursion, we asked foreigners some questions for example, "Where are you from?", "how long have you been in Japan?" and "What Japanese food do you like?" We talked with many foreigners in Kyoto. And we went around to many places to do stamp rally. It was very fun. We can cooperate with the groups.

DANCE CONTEST

Every year we participate in a dance contest in Japan which is called the Fureai Rhythm Dance Contest. A lot of students share their performance in Japan in December. It is held at Akasa hall. Each class practice very hard to win the first prize. We got the first prize. It was a good experience for us. The memory that we had with everyone is unforgettable.

CHORUS CONTEST

We have a chorus contest in October or November. It is held with school festival. We sing assigned song and free song in chorus contest. If we win, we will get a certificate.

CLUB ACTIVITIES

We have 13 club activities. We will introduce baseball club, track and field and a baseball club. People who are on the baseball always do hard menu. There are many brown girls in the girl's tennis club. People who are on the track in field club win many games. Thank you for watching.

SWIMMING TEAM

Our swimming team practices six days a week. We won the second place in the "kitakawachi meet". We swim from May to October. In the winter, we run and do training at pool side.

SKI TRIP

We have a ski trip in January. We go to Hirugano highland. We ride a bus and we watch movies. We eat meal at the place where we stay. They are delicious. We ski in groups.

CHECK UP

We think medical check up is the best events at all. Do you know how important is it? We spend a year to have the medical check-up. It`s important thing for us to know if we are healthy. Because of medical check up we always keep our body healthy.

SCHOOL LUNCH

We have a lunch menu which we have soup on Monday and Thursday, we have a hot lunch on Tuesday and Friday, and we have bread on Wednesday. Our school lunch is very delicious. Once you start eating you can't stop.

WORK EXPERIENCE

We have work experience in program in June in the second grade every year. It lasts for three days. Every year many students work at each working place. There are many kinds of works. We had very good experience. For example, we experienced the job at the supermarket, elementary and nursery school. Through this work experience program, we knew the hardship of our parents every day.

GRADUATION DAY

Our graduation is held in march every year. It is an event which every one joins and sings a song together. We can get an album and it makes us sad. It will be a good memory for us.
